BOOK SYNOPSIS

"The man behind some of the most avant-garde hairdos and head dresses worn by Lady Gaga, Recine has taken hair styling to incredibly creative heights-often literally, as he propels the braids and locks of his subjects into gravity-defying contours, augmenting them with sculptural gestures such as clumps of headphones or sunglasses, tendrils of Play-Doh and complex meshes of wire or cellophane. Alchemy of Beauty gathers original artwork by Recine, from sketches, collages and paintings to previously published and unpublished editorial images of his extraordinary sculpture and headdresses"--Publishers web site.
