BOOK SYNOPSIS

The only official stage play of V.C. Andrews's enduring classic of forbidden love—adapted by Andrew Neiderman (*The Devil's Advocate*). Experience in this new format the original story that captured the world's imagination and earned V.C. Andrews a fiercely devoted readership. At the top of the stairs there are four secrets hidden. Blond, beautiful, innocent, and struggling to stay alive . . . They were a perfect family, golden and carefree—until a heartbreaking tragedy shattered their happiness. Now, for the sake of an inheritance that will ensure their future, the children must be hidden away out of sight, as if they never existed. Kept on the top floor of their grandmother's vast mansion, their loving mother assures them it will be just for a little while. But as brutal days swell into agonizing months and years, Cathy, Chris, and twins Cory and Carrie, realize their survival is at the mercy of their cruel and superstitious grandmother . . . and this cramped and helpless world may be the only one they ever know. Book One of the Dollanganger series, the sequels include *Petals in the Wind*, *If There Be Thorns*, *Seeds of Yesterday*, and *Garden of Shadows*. Then experience the attic from Christopher's point of view in *Christopher's Diary: Secrets of Foxworth* and *Christopher's Diary: Echoes of Dollanganger*.
