BOOK SYNOPSIS

Dr. Dawn Clark has again broken through the barriers of conventional psychotherapy and metaphysical healing. In Gifts for the Soul, she introduces dynamic, channeled images that elicit energetic responses within us, initiating healing processes in mind, body and soul. By using these gifts, chakras are opened in seconds and instantaneous past and present life soul recovery occurs. This newfound reconnection of energy meridians, coupled with forgiveness and release, creates a forum for cellular reprogramming and the resolution of core life issues.
