BOOK SYNOPSIS

Magnetic Sponsoring is unlike anything you've ever seen or read before when it comes to building a network marketing or MLM business. This is NOT a book for people who want to follow the herd, or get average results handing out samples, holding home parties, or buying leads. It is for the few who want to become leaders in this industry. Who want to walk across the stage, and who want to earn 7-figures. It is for those who would rather be the hunted than the hunter. Who prefer to work smarter, instead of harder. Who want to build a life-long business, instead of an opportunity, and for those who value truth over hype. If you're tired of chasing your friends and family members, posting fliers on phone poles, cold calling leads, and handing out business cards, then Magnetic Sponsoring is exactly what you've been looking for. In this book, I will teach you... - How to get an endless number of prospects to call you, with credit card in hand ready to buy your product, or join your business. - How to create a life-long business with zero competition. - How to make income whether your prospects join your business or not. - How to legitimately produce endless leads for free. - How to create automated marketing systems that sell and recruit for you. - How to sponsor top industry leaders instead of tire-kickers. - How to become an Alpha man or woman that people respect and follow. - How I used these strategies to make over \$50 million online, and become the #1 Residual Income Earner in my opportunity. Thank you for your leadership.
