BOOK SYNOPSIS

The New York Times bestselling author of the Submissive novels launches a new erotic romance series... Students are begging to be held after class... Andie Lincoln is madly in love with Terrence Knight—her childhood friend-turned-Hollywood's newest golden boy. But he's a Dominant and wants her trained as a submissive before he'll consider a relationship with her. He enrolls her at the RACK Academy with strict instructions for her teachers: Do whatever you need to, but don't take her virginity. Fulton Matthews, the director of incoming students, is enthralled by Andie. Though he questioned her enrollment at first, watching her discover her submissive nature is hotter than his most intense fantasy. Under his control, her sexual awakening brings him to his knees. Yet they can go only so far. Andie belongs to another, and Fulton is bound by a contract that strictly forbids relationships between teachers and students. But when Terrence comes to collect his prize, Fulton discovers it's not easy to let Andie go. . .
