BOOK SYNOPSIS

Wife of the Chef is at once a no-holds-barred memoir of restaurant life and a revealing look at married life. For Courtney Febroriello, the two are intertwined. She and her husband own an American bistro in Connecticut. He's the chef, so naturally he gets all the credit. She has the role of keeping things running, but she's the wife, so she remains anonymous or invisible or both. Febroriello comes front and center here, detailing the everyday challenges she faces—taking over dish-washing duty, bailing waiters out of jail, untangling the immigration laws, cajoling lazy suppliers, handling unreasonable customers, and a host of other emergency duties. She pokes fun at people who take food and wine—and the chef—too seriously, with witty comments on everything from "chef envy" to the much-ballyhooed James Beard Awards. Spiced with a healthy spoonful of feminism and enriched with a cup of humor, Wife of the Chef is the tastiest "dish" of the season. From the Hardcover edition.

WIFE OF THE CHEF - Are you looking for Ebook Wife Of The Chef? You will be glad to know that right now Wife Of The Chef is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Wife Of The Chef may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Wife Of The Chef and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Wife Of The Chef. To get started finding Wife Of The Chef, you are right to find our website which has a comprehensive collection of manuals listed.
